As no Chernobyl impacts were detected, the researchers conclude "in retrospect the widespread fear in the population about the possible effects of exposure on the unborn was not justified".

God explains, further, that in heaven the blessed still feel desire, and pray with tears of flame. She asks Ann to set them up, but she hesitated to do so, prompting Mark to accuse her of still having feelings for Justin. Latin alphabet or not, a native English speaker today would be hard-pressed to understand it.
