with our eyes. One of the novellas, *Los tres maridos burlados* probably derived from Francesco Cieco da Ferrara's *Mambriano* and the play entitled *El vergonzoso en palacio* reveal his wit and ingenuity. Many protected species have a moderately satisfactory status but some, particularly those that occur in wetland and aquatic environments, are also reported to be of bad conservation status, such as the Atlantic salmon and freshwater pearl mussel (figure 2). It would appear that, for the lack of any novel doctrine such as that of surrealism, all those who are eager to join in the latest scandal or movement now seize upon this philosophy in which, however, they can find nothing to their purpose.
