With thirteen oft-humorous "Poetic Reflections" columns as a framework for chapters and themes, the author presents a collection of original poems and song lyrics from "a lifetime of versage" -- a journey through her soul. This is what we think we have contributed in some way through our work: a technique for analyzing this aspect. The elaboration of maps, based on the results estimated by the index, is also a plus, since mapping favors the visualization of important aspects of vulnerability. Learnhowyourcommentdataisprocessed.
