A logo needs to be well thought out and executed. They began with terrorist attacks.

### **Glenford Sketches: Rural Free Deliver**

For that one season, the creek had a voice: an outraged roar of rushing water, of power, and that narrow tributary, normally so placid and characterless, became during those months something frightening and unpredictable, and we were warned to keep away. It might strain political credibility that the British government would embark on something quite as evil, yet this a well-written and exciting novel.
