Besides my own interests, I read whatever my wife tells me to read-- she's a voracious reader and has wide-ranging tastes as my reviews show she also always has the TV remote and she's always right about what to watch.

## **A Nutty Man Was Uncle Upton**

Studies have shown that music education can be used to enhance cognitive achievement in students. Listeners have never ceased to wonder how a taciturn male composer could create such forceful, richly sympathetic female characters; the answer may lie in the degree to which Strauss submitted to his domineering, difficult, yet devoted wife, Pauline.

## **Artefacts of the Dead (DI Bob Valentine Book 1)**

Because staying in the present is so fundamental to squashing worry, practicing mindfulness can help you to steer focus away from a hypothetical issue that could develop down the road. Why not give the book a try.
